

STAR REPAIR & MAINTENANCE

Serious Trucks, Serious Commitment.

SPECIAL CARE FOR YOUR KING OF THE ROAD

Western Star Repairs & Maintenance simply requires one low monthly fee enabling greater control of business expenses. At Western Star we are committed to delivering the best care available to assist in maintaining your Star in tip top condition and keeping you on the road where you're born to be.

 Serious trucks.™

REPAIR & RESALE VALUE

Discipline and attention to detail pay off. For you, that is. When we say 'Serious trucks', we mean it. Western Star Trucks have a reputation of holding their value, and your Return On Investment is important to us. Nonetheless it will be tough to part ways with your reliable workmate after sitting behind the driver's seat.

STAR ASSIST™

When your Star needs attention, you are covered by our National Dealer Network to keep you on the road longer, and in the unfortunate event of a breakdown you are supported with our comprehensive roadside assistance package '24/7 Star Assist'.
