X-30 STEELite™ Brake Drums

53123537002

The Meritor STEELite™ Series brake drum is the industry leader, combining weight savings and strength for increased payload and fuel economy.

- STEELite X30™ Performance advantages:
- Delivers higher vehicle payloads and fuel economy with proven durability
- Reduces vehicle weight by more than 200 lbs. in a tandem axle tractor/trailer combination
- Exclusive one-piece patented spin-formed steel drum provides 15-20% weight savings vs. standard cast drums
- Superior durability vs. competitive lightweight composite drums

\$220

Clutch.

Your clutch is mission-critical for keeping your truck on the road. Alliance Truck Parts clutches are built to OE specifications for most makes and models of heavy-duty trucks to ensure confident, smooth shifting and long clutch life.

N2510839193CBW	10" Bore 1850 Lb-Ft Torque Rating (Equivalent to Easy Pedal Advantage)	\$975
N2520892525CBW	10" Bore 2050 Lb-Ft Torque Rating (Equivalent to Easy Pedal Advantage)	\$975
N2520893732CBW	10" Bore 2250 Lb-Ft Torque Rating (Equivalent to Easy Pedal Advantage)	\$1,200
N2520970125CBW	10" Bore 2050 Lb-Ft Torque Rating (Equivalent to Solo Advantage)	\$1,100

Features & Benefits

- Made in the USA
- 2 Year unlimited km warranty
- Includes clutch brake
- 30% less pedal effort once disengagement is achieved
- Complete coverage + torque performance
- Improved heat dissipation through enlarged cover
- Even & concentric load on release bearing
- Triple grease zerks on release bearing
- Features dual-plate construction with ceramic facings and an efficient seven spring design
- Constant plate load and isolated pressure springs deliver smooth performance.

N25K2468
Clutch Install Kit

\$216

Install kit contains:

- Clutch housing gasket
- Front bearing cover gasket
- Inner/outer retaining rings
- Front bearing cover
- 2" Clutch brake
- Shift lever housing gasket
- Bearing with snap ring
- Cross shaft bushings
- Standard release yoke
- 2" - 10 Spline input shaft

FREE BELT

For a limited time, purchase a Dayco Gold tensioner, and receive a free fan belt.

Dayco® Gold Label® No Slack™ Heavy Duty Automatic Belt Tensioner

Designed for heavy duty diesel engine accessory drive applications

As the major supplier to heavy duty original equipment manufacturers, Dayco's Gold Label No Slack™ Heavy Duty Tensioners are guaranteed to be engineered and manufactured to the strictest design specification.

The heavy-duty cast aluminum body and pulley arms translate into extra strength and durability. Dayco's Gold Label Heavy Duty Tensioner features a patented "flat spring" design that's engineered to handle the higher torque and power pulses exerted by today's diesel engines.

Rugged pulleys with double lifetime lubricated bearings deliver long lasting, dependable service. In addition, virtually all Dayco Gold Label Heavy Duty Tensioners feature "extremely damped" designs using a wave spring and a metal ring with a bonded rubber surface to act as a "radial shock absorber" for the tensioner arm.

Dual voltage, radio suppressed, magnetic base, high impact polycarbonate lens, cigarette lighter plug and 3.5m spiral lead, magnetic base rated for use at 110km/h

\$88

71330NAR With FREE 71300 Pocket Light
'See Ezy' HD High Powered L.E.D Inspection Light

Featuring high powered SMD L.E.Ds with an impact resistant non slip rubber sleeve and a shatterproof polycarbonate lens. Two power settings provide up to 7 hours continuous illumination before recharging via the 240V docking station. An in-built L.E.D indicator flashes red when the battery is low and blue when recharging. An interchangeable rear cover allows the user to choose between a belt clip or powerful magnet.

\$171

71301NAR
'See Ezy' High Powered Pocket HD L.E.D Inspection Lamp

Utilising 8 powerful 0.5W SMD L.E.Ds to provide a super bright white light output. The lithium ion battery can be fully charged from flat in just 3.5hours and will operate for over 5 hours of continuous use. The 71301 is a perfect combination of the larger heavy duty work lamp 71330 and popular pocket light 71300.

\$55

SB900SP
900A Booster Cables With Surge Protection

These are the perfect heavy-duty 'workshop' booster cables suitable for trucks right up to the higher demands of construction and earth moving machinery. As with all Projecta booster cables, these are suitable for 12V or 24V batteries and easily connect to all battery posts.

\$160

FREE 71300 Pocket Light

Air System Valves.

PACIFIC AIR CONTROLS

Great selection of popular air system valves to suit a wide range of vehicles.

Air Brake Corporation of Australia's own brand of cost effective replacement air brake valves, repair kits, auxiliary air system components, etc. To suit trailers and most North American trucks, manufactured to original equipment specifications and quality with full 12 months warranty.

STARPARTS

Tow Hitch.

SAF Holland
Engineering Your Road to Success

SK-S 36.20 Series Fifth Wheel 6621310038

All of the fifth wheels in the SK-S 36.20 range from HOLLAND are particularly light thanks to the spheroidal graphite cast iron, and are equipped with a safety latch that allows coupling or uncoupling with one hand.

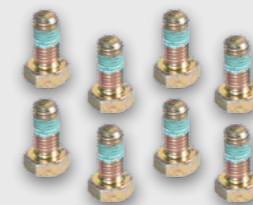

The additional benefit of the safety latch is the clear visual indication that indicates to the driver if the locking mechanism is safely engaged – or not: simply by the 'up' or 'down' position of the latch.

- Up to 33 kg lighter, reliable and robust
- Safe single-handed operation, automatic safety lock
- Simple and safe wear adjustment
- Permanent, maintenance-free bearings
- Optimised lubrication channels for effective grease flow
- Connections for central lubrication
- Optionally available with direct or angle bracket mounting
- Approved for forced steering
